## PUBLIC TRANSPORTATION

From the arrival at the airport, walk to the Alibus stop. It costs 5 euros (cash and card) and it stops at the central station and the port.

For public transports' tickets you can use the app UNICO.

[Find more information and links to download the app here.](#)

In some of the means of transport you can pay directly with the card (TAP&GO) but it is not yet available everywhere.

You can move around the centre on foot quite easily, and using Google Maps or Moovit if you want to move to another neighbourhood (e.g. Chiaia). Trains run until 10 PM, and 11 PM in the evening (but after 9 PM they become less, so beware).

Taxi apps: [FREENOW](#) and [UBER](#). Please note that Uber is the same thing as getting a taxi in the street, so there is no significant difference in price.

## WHAT TO BRING

Please bring informational material about your organisations and activities. Furthermore, if you have any audiovisual material of the events, send it by the 26th of February to [mariap.napoletano@gmail.com](mailto:mariap.napoletano@gmail.com).

- Port'Alba (some say it's the oldest...)
- Petrucci (a fancier pizza)

### COCKTAIL BARS & BEERS:

- BA-BAR (Good vibe, wine and pizza)
- Tappò (cocktails and beers, good value for money)
- OAK (hipsterish place with craft beers)
- Caffè letterario (romantic location in a vibrant square)
